Entry type	Topic
Classification	msc 91F10

Various voting systems have been proposed and this entry lists the possible systems.

1. Single winner
2. Range Voting
3. Approval Voting
4. Plurality Voting
5. Strategic Voting
6. Rank-order based
7. Condorcet
8. Instant Runoff
9. Borda

In addition there are various Impossibility Theorems:

- 1.
2. Gibbard-Satterthwaite

And there are various that are important for understanding Voting systems:

1. No show paradox
2. Alabama paradox
3. Bayesian regret
4. clone of a candidate
